Subject: termination request for josh g [REDACTED]

Hi natalie, my name is Joshua [REDACTED] G [REDACTED] and I spoke with you on Monday, June 1 2009 over the phone. I would like to officially terminate my contract with American Debt Foundation. I have successfully completed your program and it has done wonders for my credit score already! We are trying to get pre-approved to buy our first home and an official completion letter for your program would be greatly appreciated! Also, I have \$490.63 in escrow that will come in handy for our down payment. Thanks Natalie for your assistance and if there is anything else I should know, it would be best to contact me via e-mail. Have a great day! Josh G [REDACTED]
