Hi Betsy,

I have tried to call you, but I know you are busy.

As long as Global Client Solutions withdrew the last \$748.35 from my account on 8/5/09, it will be the last amount, as I am finished with American Debt [REDACTED] and all my debts.

I am very happy that I was able to work with you on all my debts, you have been a great person to work with, and no one in American Ddebt Foundation helped me before like you have, I hope your supervisors appreciate you for the great person you have been and a very responsible one too.

I want to thank you for all you have done for me, and we will keep in touch.

Let me know about Global Client Solutions if they are aware that they are not supposed to withdraw from my bank anymore.
